

NEW CENTURY

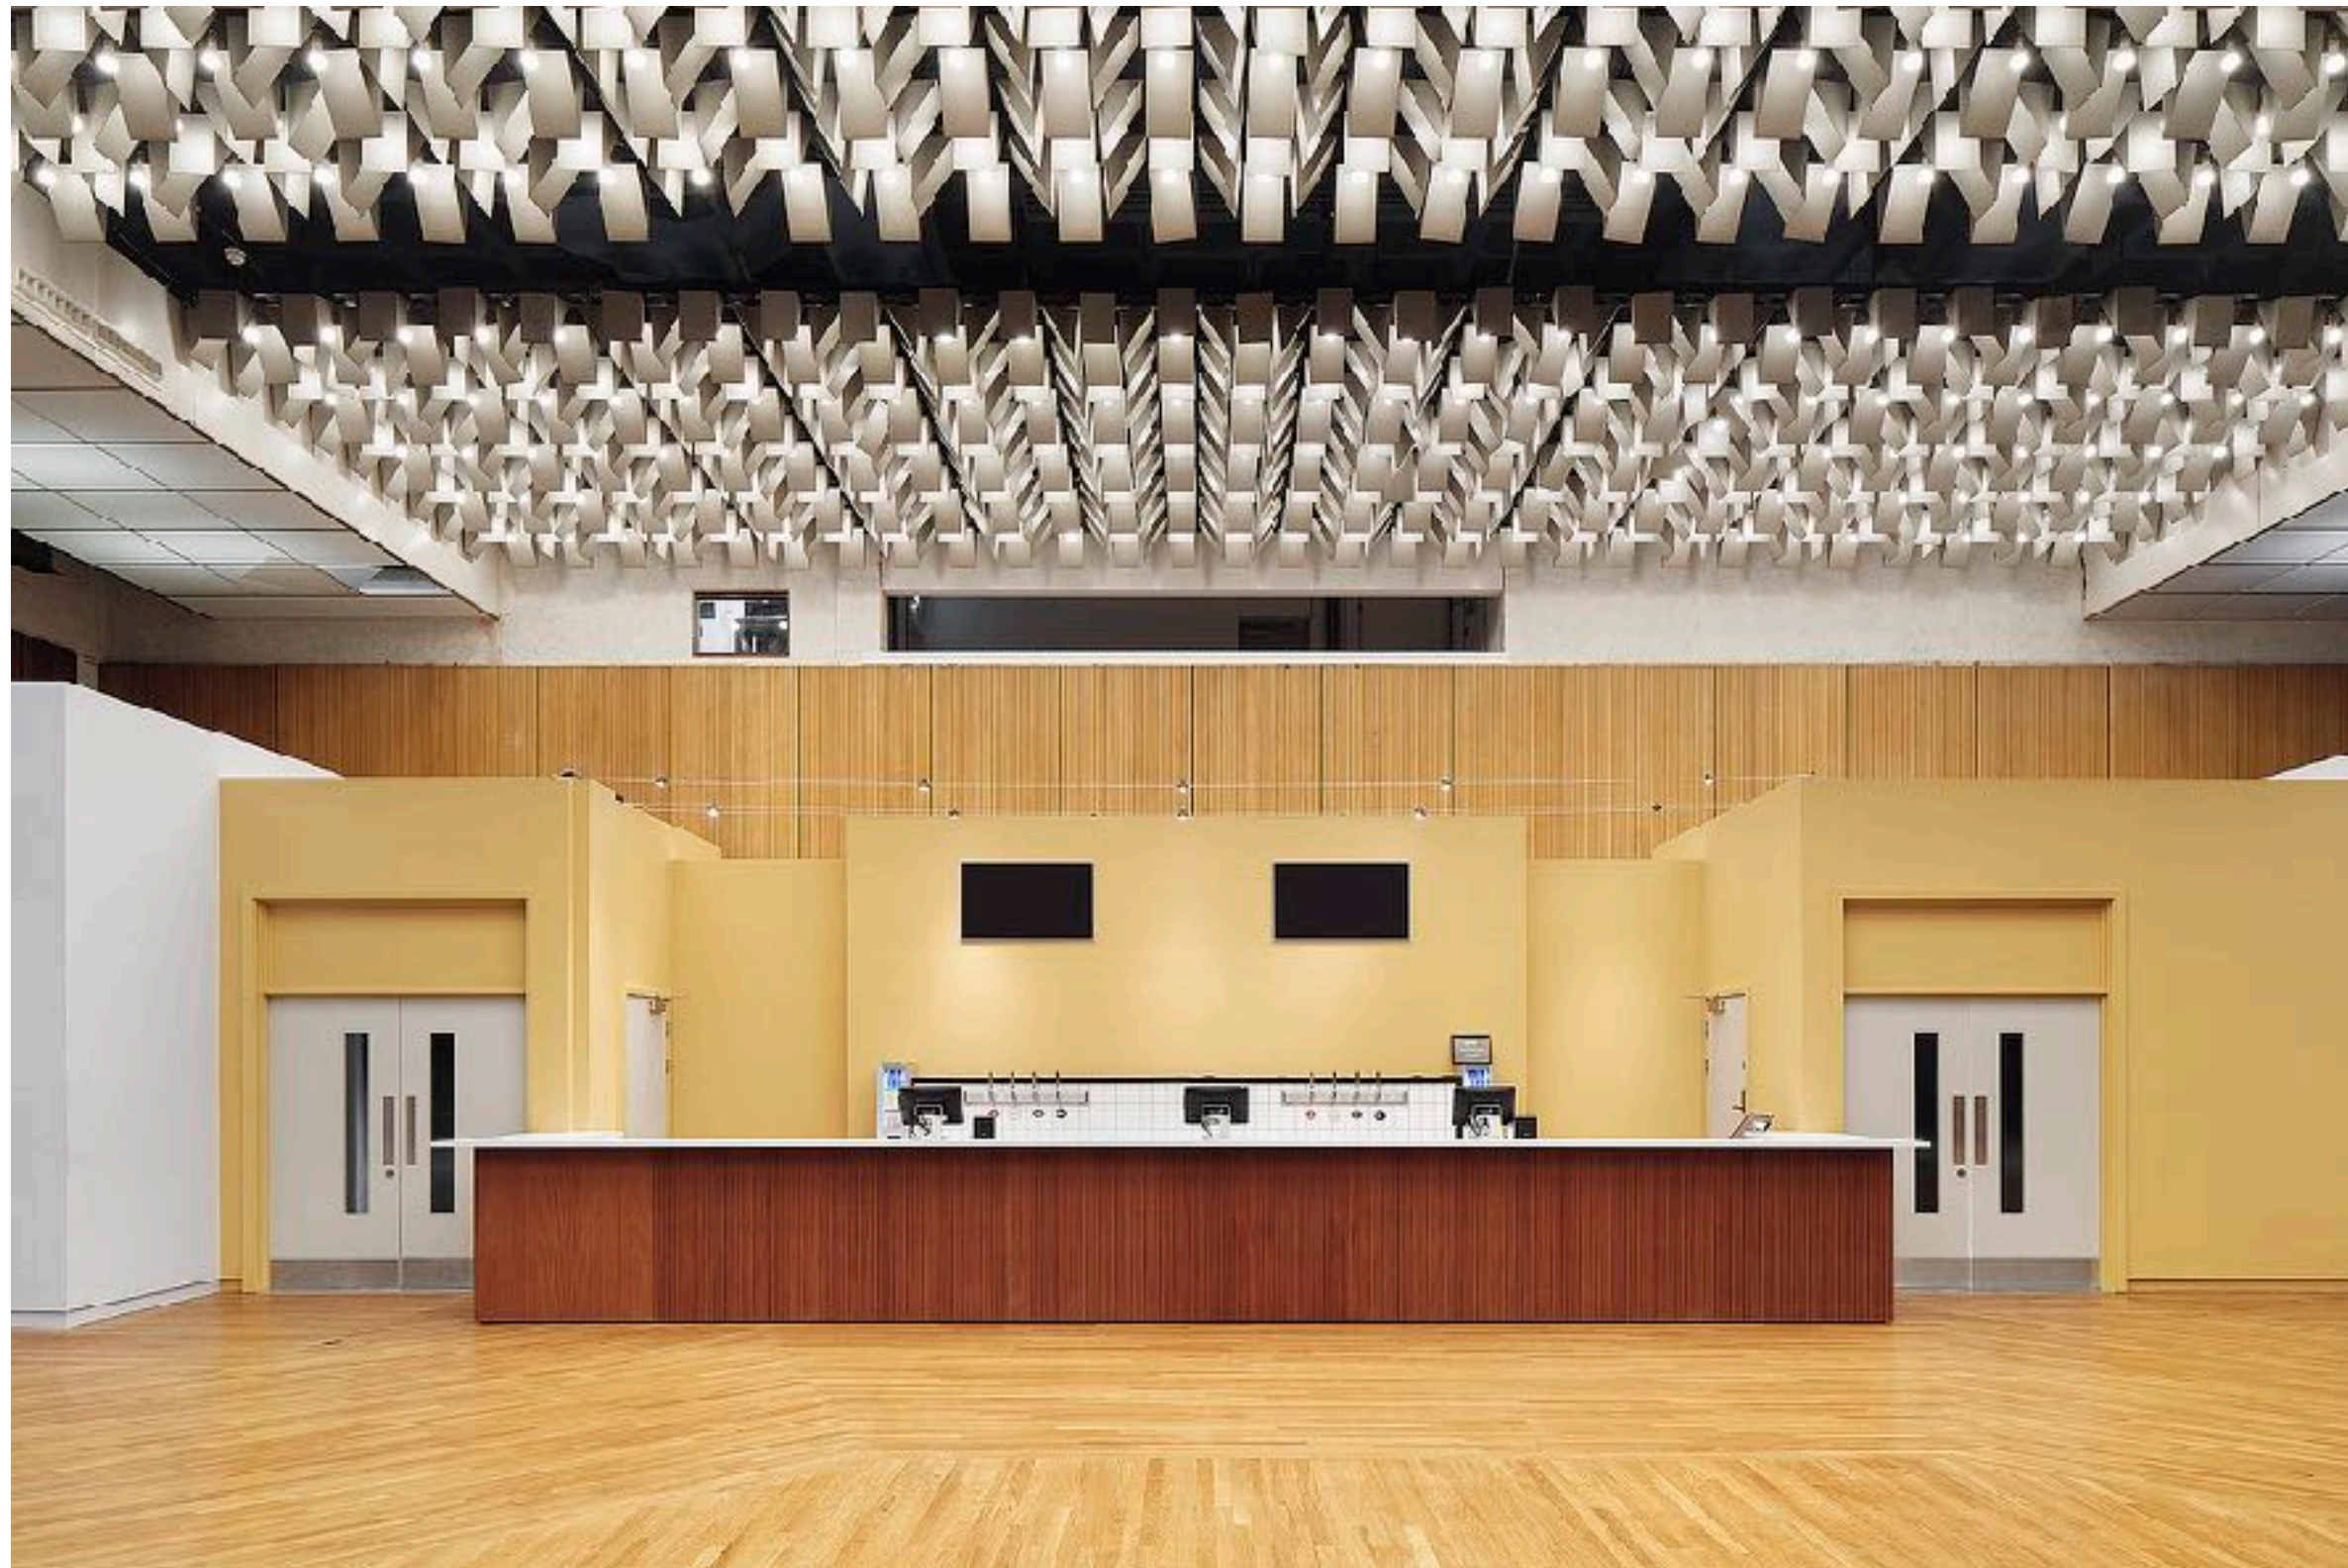

New Century

A Grade-II listed 1960s dancehall reimagined as a platform for new ideas and emerging talent in Manchester's city-centre. Mid-century architecture combines with state-of-art production offering a unique venue for unforgettable live music and events for up to 1,000 people.

About New Century

The jewel in the crown of Manchester's fastest moving city-centre district, New Century is an iconic part of the city's musical history.

The main space houses an exquisitely restored open-plan events hall for up to 1,000 people. It shares its building with New Century Kitchen, which brings the best of Manchester's food and drink scene to NOMA.

The venue retains its unique mid-century character, with an original sprung maple dancefloor and distinctive wooden panelling. A newly restored 'disco ceiling' lighting installation creates an immersive and responsive technicolour environment for all moods.

New Century was a legendary dancehall in the 1960s, hosting acts including Jimi Hendrix, The Rolling Stones, The Bee Gees and Tina Turner. In the 1980s, New Century was adopted by the Madchester scene, fostering such homegrown talent as The Stone Roses and Happy Mondays.

The venue builds on its musical legacy for a new generation, with a flexible layout and state-of-the-art sound and lighting facilities providing a unique multipurpose event space.

Manchester’s iconic mid-century dancehall, reborn.
