Introduction

Nestled in the financial hub of the City of London, Leadenhall Street is a purpose -built space designed for entertaining and collaborative working. A chrome spiral staircase connects an upper mezzanine level with a larger open-plan space below. The venue can accommodate up to 80 guests, with a fully equipped barista station, pantry, flexible seating areas and games tables.

The historic character of the City of London's first Monastery sits carefully conserved within the bright and modern space. Combined with the flexible layout and central location, Leadenhall Street is an ideal destination for workshops, networking events, away days and brand events.

Event Spaces

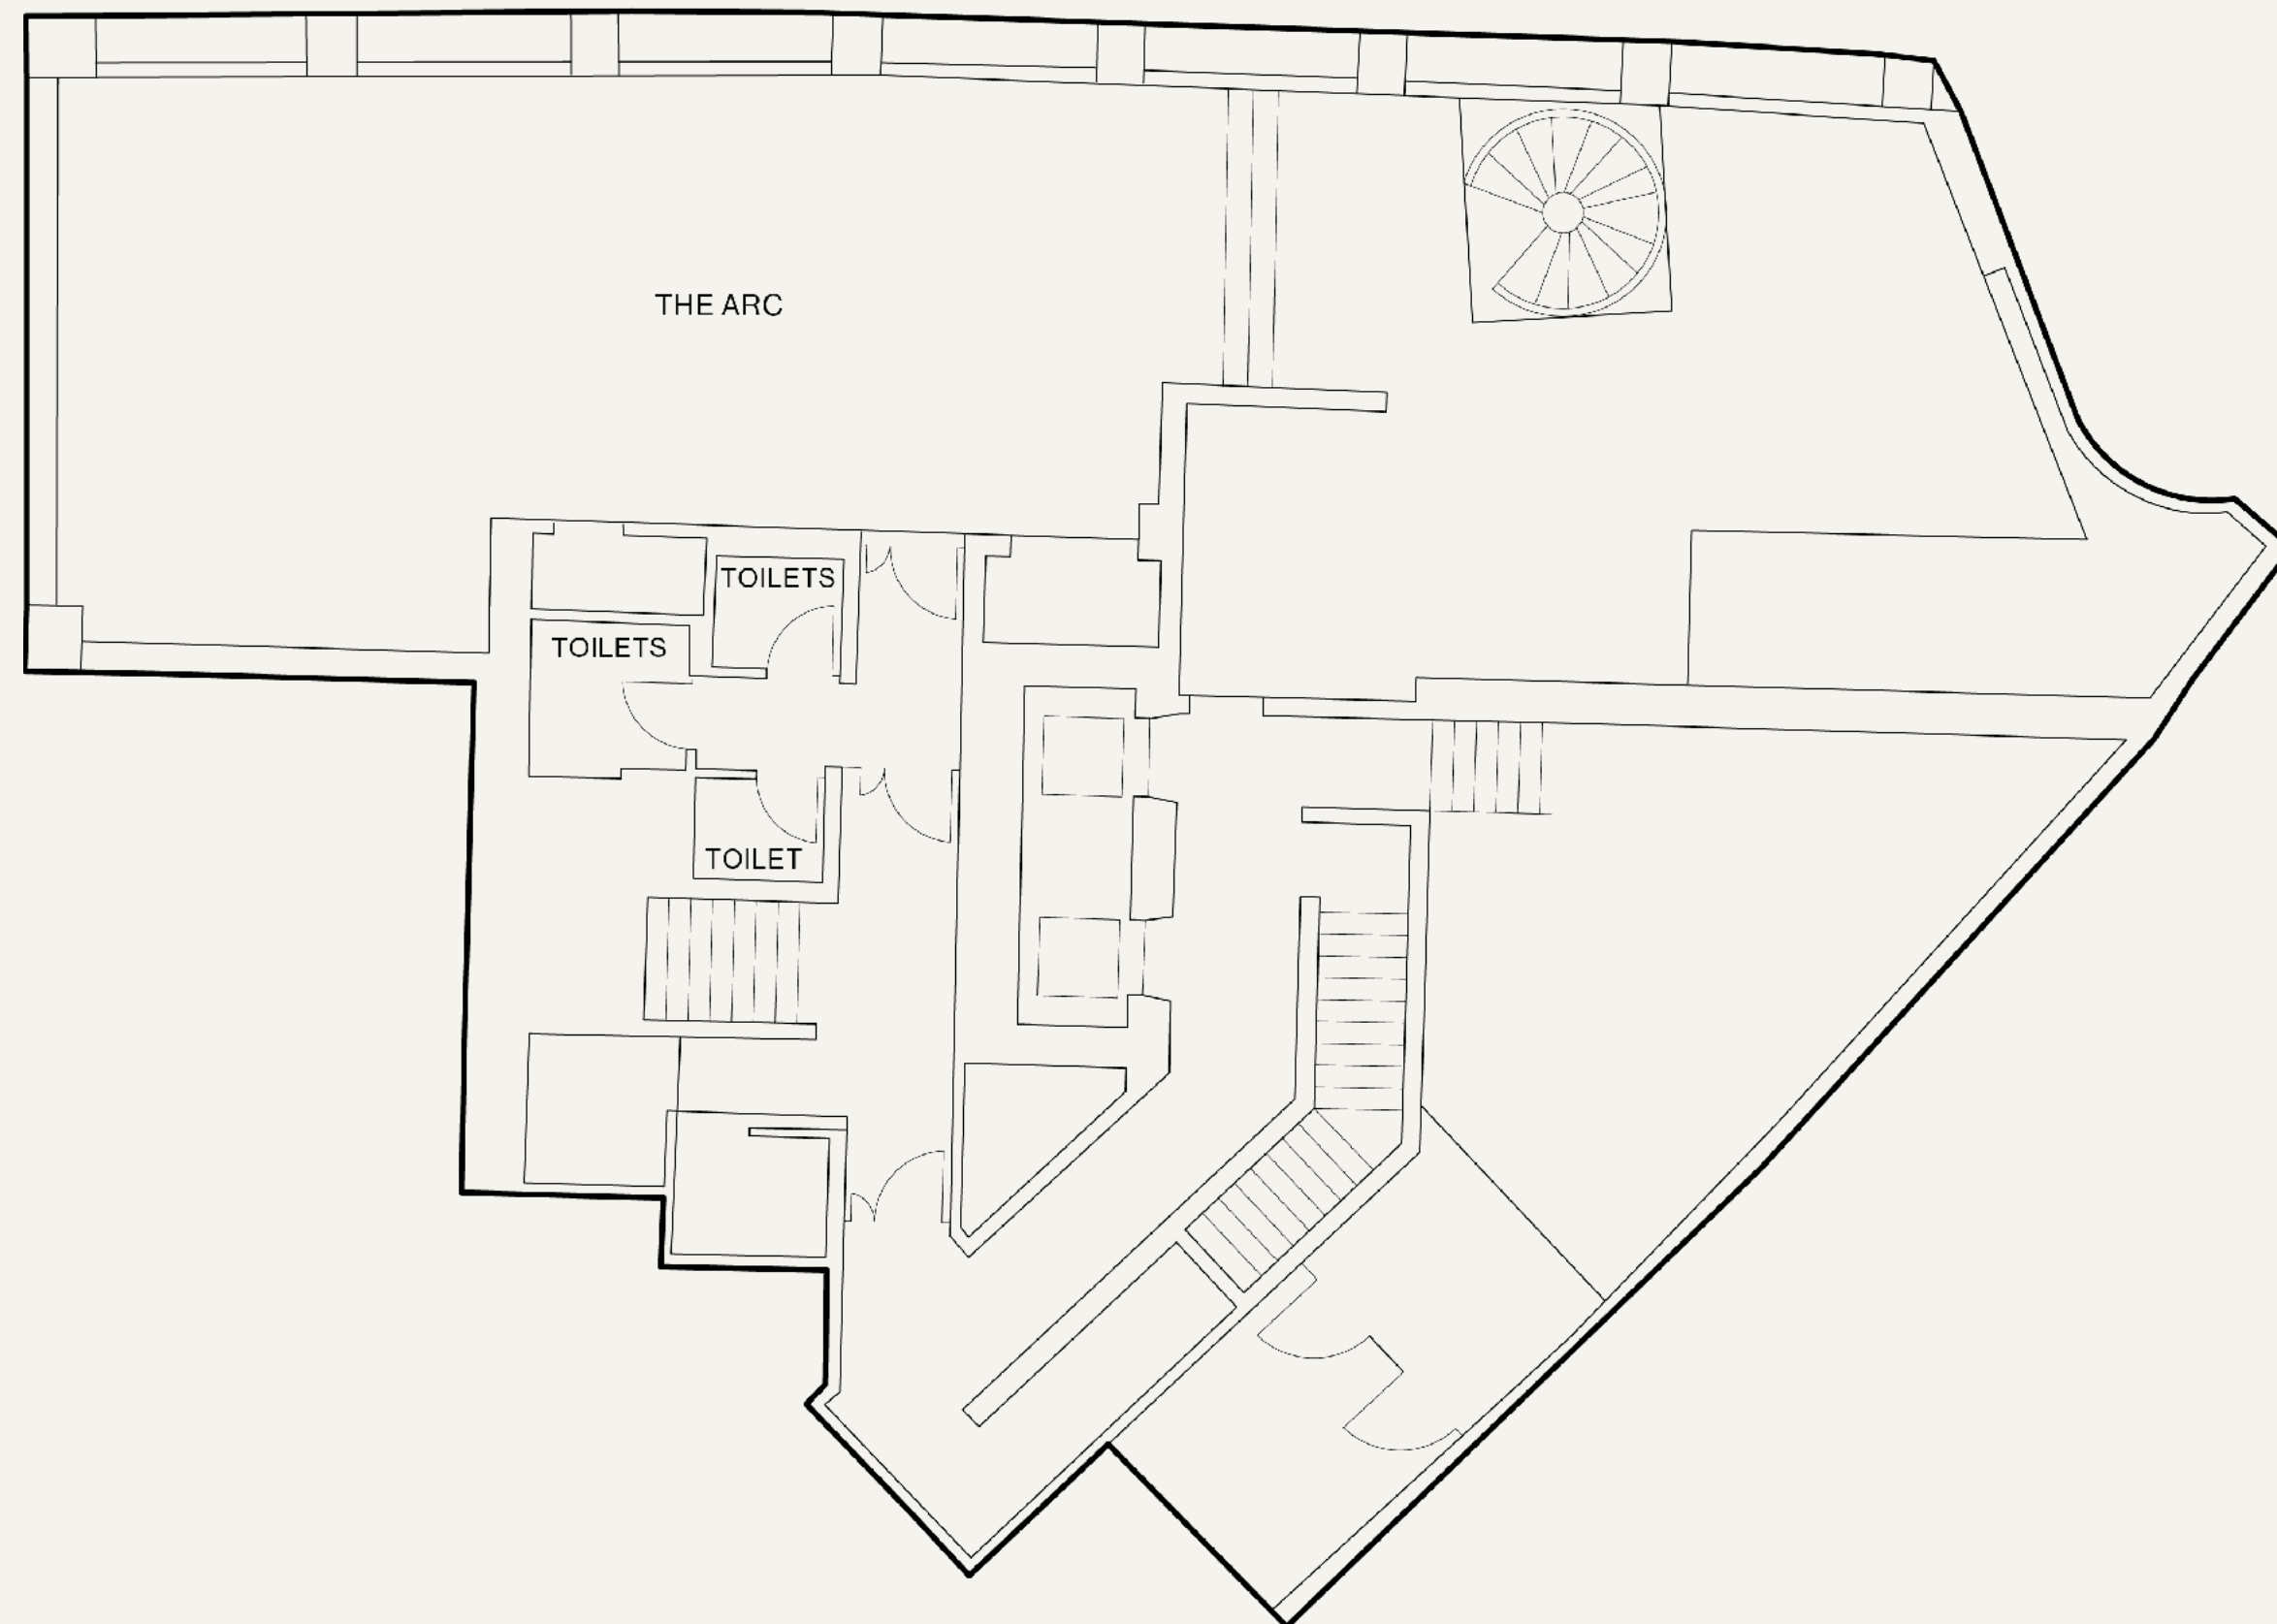

The Mezzanine

Guests enter The Mezzanine next to the beautifully restored sixteenth-century stone arch. The upper level is a bright, modern open-plan space, with large windows looking onto the historic streets of the City. A modern snack station and barista bar can be activated during daytime events or transformed into a bar area in the evening.

Event Spaces

The Arc

Accessed via a spiral staircase, The Arc is flexible for all event types and configurations, including theatre style. It is thoughtfully designed as an open-plan space with a kitchenette, soft furnishings and a games area, which combined provide the ideal location for networking, group work and breakouts.
